## Professional Experience

**HappyMonster** 2013 - Present  
Co-Founder & Lead Front-End Engineer

Created HappyAddons, a popular Elementor addon library. Developed Eazy Plugins Manager for WordPress. And created numerous impressive WordPress themes and HTML Templates, empowering users to build stunning websites. Committed to delivering high-quality solutions.

**VectorLab** 2013 - Present  
Co-Founder & Lead Front-End Engineer

I have successfully developed and released some of the most popular HTML Dashboard Templates, including Flatlab, SlickLab as well as a versatile Multi-Purpose HTML5 Template Clab on ThemeForest. These templates have garnered significant popularity and have been embraced by a wide range of users.

**GG, Bashundhara Group** 2016 - 2017  
Head of UI/UX

I have successfully managed a skilled front-end team, overseeing tasks such as UX analysis, bug identification, and resolution. Additionally, I have played a pivotal role in enhancing the team's skills and optimizing product quality.

**Tasawr Interactive** 2009 - 2013  
Sr. UI Engineer

My roles in Front End Development, where I excel in resolving issues, converting PSD designs into pixel-perfect markup, and ensuring cross-browser and cross-platform compatibility. Additionally, I possess specialized skills in writing CSS for Right-to-Left (RTL) support, catering to the unique requirements of Middle East-based companies.

**Bangladesh Internet Press LTD (BIPL)** 2008 - 2009  
Web Designer

In my role, I was responsible for designing the client's website, converting designs into flawless markup. I prioritized pixel-perfect precision and ensured seamless compatibility across various browsers.
